Memorandum of Agreement
Between
The Sherlock Center on Disabilities at Rhode Island College
and Rhode Island Department of Human Services
Office of Rehabilitation Services

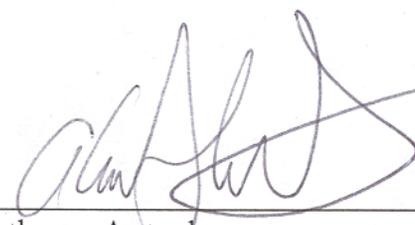

The Office of Rehabilitation Services has participated in the Family Support 360 Planning Year. We strongly support this project and commit to the following functions and activities:

1. Participate on the project steering committee.
2. Accept applications from students in the project at age fourteen.
3. Participate in IEP, Transition, and Family Planning Meetings.
4. Assist in designing community work experiences and supports.
5. Work in the Division of Developmental Disabilities to develop a common application form.
6. Provide support for on site vocational assessments.
